

**Description:** H2OMIT Vent Drains allow accumulated water to drain out the bottom of an enclosure. The vent drains also function as an air pressure equalizer, reducing the harmful effects of temperature-induced vacuums that could pull water and moisture into the enclosure.

**Material:** Non-Metallic Drain Vent made of corrosion-resistant polyester material. Stainless Steel Vent Drain made of a corrosion-resistant polyester material with a Type 304 stainless steel sleeve.

**Protection:** IP66, TYPE 4, 4X.

**Pack quantity:** 1
