

# Cable management

## Cable routing

### Cable duct for mounting plate

- To fit the cable ducts for vertical TS sections. If the TS mounting plate is installed in the rear-most position, the horizontally mounted cable ducts are flush with the vertical ones.
- For external mounting on surfaces.

#### Technical specifications:

##### Depth 80 mm

Length:

- Sized to the width of the TS, ES and TP mounting plates
- 2000 mm

Bar width: 5.5 mm

Slot width: 4.5 mm

#### Material:

Hard PVC, flame-resistant, self-extinguishing, temperature-resistant to +60°C

#### Colour:

Similar to RAL 7030

#### Supply includes:

1 set =  
1 cable duct with cover.

#### Accessories:

Plastic rivet for attachment, see page 1060.
